

READY, SET, RENOVATE!

Your essential kitchen planning workbook

Congratulations on taking the first step toward your dream kitchen!

A successful renovation starts long before demolition day. This workbook helps you plan every detail with confidence. Tick off each step, add notes, and get closer to the kitchen you'll love.

Vision & Lifestyle

What matters to you?

(Tick each step as you complete it)

- ☐ I know what I want to change and why it matters.
- ☐ I've imagined a typical day in my new kitchen: how I'll cook, entertain and relax.
- ☐ My **must-have list** of non-negotiable features is complete.
- ☐ My **nice-to-have** list for extras and style touches is complete.

Quick Tip: Write down your "dream kitchen feeling" (e.g., bright and social, warm and functional)

Inspiration & Ideas

Bring your vision to life!

Get inspired and define your style:

- ☐ I've collected inspiration (Pinterest boards, magazines, photos).
- ☐ I've identified my dream style (modern, farmhouse, minimal, bold).
- ☐ I've explored materials – countertops, flooring, cabinetry, hardware.

Budget & Research

Set yourself up for success!

Plan with confidence:

- ☐ I've calculated a realistic budget range.
- ☐ I've allowed a 15–20% buffer for surprises.
- ☐ I've shortlisted at least three contractors.

Your Notes

Ready to Start?

Cook the way you love –
in a kitchen designed just for you.

Kitchen Layouts 101

Find your perfect fit!
Which layout suits your space & lifestyle?

(Tick your favourites)

- ☐ **The L-Shaped Kitchen:** Perfect for open-plan homes; flexible and efficient.
- ☐ **The U-Shaped Kitchen:** Best for larger spaces; maximum bench and storage.
- ☐ **The Galley Kitchen:** Compact and functional; everything within reach.
- ☐ **The Kitchen with an Island:** Central hub for cooking, storage, and entertaining.

Quick Tip: Circle your top two, then discuss with your designer.

Colour Scheme

Choose your palette! Choose the colours you love, or consider these experts' picks:

- ☐ **Timeless & Elegant (White & Grey):**
Clean, classic, versatile.
- ☐ **Warm & Earthy (Wood Tones & Greens):**
Natural tones create a serene feel.
- ☐ **Bold & Modern (Dark & Dramatic):** Navy or black cabinetry for a striking statement.

Your Colour Notes:

Smart Picks

Details that make life easier

Lighting

Add pendant lighting above islands or dining zones for style and warmth.

Storage

Try lazy susans, pull-outs and spice racks for better organisation.

Pantry

Walk-in or tall pantry with pull-out drawers keeps essentials at hand.

Appliances

Save time with induction cooktops and smart fridges.

Which features are must-haves for you? Tick them here:

☐ Pendant Lighting

☐ Smart Storage

☐ Walk-in Pantry

☐ Smart Appliances
